

About Our Programs

Suzuki 1 Program

This program is offered for children ages 3 and older. Each student is required to attend 1 private lesson a week and 1 group class a month. The private lessons are scheduled on Tuesday, Thursday, or Saturday. Please discuss available private lesson times with instructor. Group class is at 4:00 p.m. on the last Monday of each month. I urge new families to pay monthly (\$112.50) for their 1st semester. It works out to be \$30.00 for a 15-30 minute private lesson (lesson minutes dependent on child's attention span) and each group class \$15.00.

Please contact Family Music Time Violin Studios for a free demo class or to observe another child's lesson.

Mommy & Me

The Mommy and Me program is for children 3-5 years of age and a caregiver. The program requires child and caregiver to participate in 1 weekly group class with other families and the instructor. Child and caregiver are taught the basic skills and will administer those skills to their child during the group class and at-home practice. Each family receives a folder with written step-by-step instructions to help guide them through the course. This program requires a non-refundable deposit of \$20.00 to hold your spot in the class. Your \$20.00 will be added to your tuition cost when the class begins.
